

Dear Parents,

Your child will be visiting The Institute for Marine Mammal Studies (IMMS). IMMS is a nonprofit organization established in 1984 for the purposes of public education, conservation, and research on marine mammals and sea turtles in the wild and under human care. IMMS promotes public awareness of marine conservation issues through its involvement in the community and encourages the public to be good stewards of the environment. IMMS serves as an important educational outlet for the Mississippi Gulf Coast and incorporates programs for these purposes.

One way to help continue our programs for all to learn and enjoy is to shop at our Gift Shop. Gift Shop proceeds go toward dolphin and sea turtle rescue, rehabilitation, and conservation. Your kind donation will greatly help IMMS with the animal rescue efforts. Your donation may also help IMMS fund its many other endeavors. Your gift may be used for:

- Veterinary care and husbandry- biomedical supplies and equipment, medical testing such as blood analyses, microbiology, lab procedures (x-rays, ultrasound, surgery, etc.), food for animals, and medicines,
- Field work - boat and airplane time and animal transport equipment,
- Labor expenses associated with all aspects of care for stranded animals,
- Supplies for rescue and rehabilitation of stranded marine animals.

If you choose to allow your child to make a purchase from the Gift Shop, the attached order form will help you to guide their decisions. The order form contains many popular choices with students from our Gift Shop. Please fill out the attached form and return to your child's teacher with payment. We ask that you please send correct change with your child. Your child's purchase(s) will be sent home with your child at the time of the field trip.

Thank you for your support,

IMMS
